Socrates Ltd a specialist risk management consultancy is pleased to announce that our Chief Operating Officer Robert Jones has accepted a new role as Managing Director of Cisive UK. Robert will also manage the Cisive Global Executive Intelligence Division. Robert will maintain his equity position in Socrates Ltd, but has handed over his day to day management duties to other members of the Socrates Ltd team. He is in the process of relocating with his family from Rio de Janeiro to London.

Socrates Ltd continues to expand its portfolio of global clients and our operational offices in Rio de Janeiro, Brazil and Cali, Colombia continue to grow. Our network and capabilities extend throughout Latin America. For more information or to discuss your requirements please contact us at [information@socratessa.com](mailto:information@socratessa.com)

Cisive is a leading global provider of tech-enabled and compliance driven human capital and risk management solutions and Robert looks forward to introducing these global solutions to existing Socrates Ltd clients.
