

Socrates Ltd and ASC Associates Ltd are pleased to announce a strategic partnership designed to leverage the synergies between our two organizations. Working in partnership, Socrates and ASC are uniquely placed to maximize pharmaceutical supply chain efficacy and efficiency.

Robert Jones, chief operations officer of Socrates Ltd commented. “I am delighted that we have been able to cement our close working relationship with ASC. Our existing clients will benefit from ASC’s expertise in the fields of cool chain, pharmaceutical logistics and regulatory compliance and we also have the opportunity to leverage ASC’s strong presence in Europe and Asia to better serve the global needs of our multinational customers”.

Amy Shortman, director of ASC stated. “We have been working with Socrates Ltd for some time and their considerable practical knowledge of supply chain security issues has created cost-savings and minimized risk for numerous customers. I am pleased we will be able to offer a full suite of security and compliance services to current and new pharmaceutical logistics clients and to expand our service offerings to the Latin American market”.

About Socrates Ltd: Established in 2004, Socrates Ltd is a full service security risk management consultancy. With operations centres in the UK, Colombia and Brazil, Socrates Ltd helps a wide range of multinational clients minimize security risks in developing markets.

About ASC: Established in 2011 and based in the UK, ASC works with all key supply chain stakeholders including, manufacturers, third party logistics providers and Airlines to achieve excellence in supply chains.
